Message from our Head Teacher

Welcome back! It has been lovely to see so many pupils back in school with big smiles and raring to go, even in this extremely cold weather.

This week is Geography topic week. Governors were in school to complete a learning walk. They were very impressed with the excellent learning attitudes, level of geography skills and quality of work produced.

Finally, a friendly reminder to ensure all parents and pupils remember that break time snack is just fruit, water bottles in classes should not contain juice and P.E. Hoodies should be worn on P.E. days only. As it is very cold we would encourage all children to come to school with hat, gloves and scarf, clearly labelled.

Parent Reminder - Parking

As a school we are very conscious that a small minority of parents have upset residents around the school with their thoughtlessness.

We continue to encourage residents to report incidents to 101.

At the end of last term we produced a Community Newsletter for residents to keep them updated on events/work around school that might affect them.

Sad News

It is with sadness, that we advise you of the passing of Miss Taylor.

Miss Taylor was a teacher at Lanesfield for many years and sadly passed away unexpectedly on Christmas Day.

Miss Taylor always worked tirelessly at Lanesfield to ensure our children their potential and modeled our aspirational value.

We keep her and her family in our thoughts and prayers
