Message from our Head Teacher

A very busy start to the week as our Year 6 have begun the statutory standard assessment tests commonly known as SATS. Yesterday was the grammar, punctuation and spelling test, GPS for short. They were a credit to us all very focused and professional throughout each paper - this is a great start to the week. We have no doubt they will try their best and do well. We can not ask for anything else.

This year, year 2 will take their assessments at the same time as other children in June.

We are moving into the end of the school year and only have one full half-term left. I am appealing to everyone to ensure we can all try to be HEROs - Here, Ready and On Time every day. This will really boost our attendance and add to the yearly targets. We will be awarding prizes to all children who have 100% attendance for this year.

Next term, we have another offsite visit planned for year 5 and 6 so look out for the meeting planned to ensure all parents feel informed. Any questions please contact the office.
